From: **DEPARTMENT OF CALIFORNIA HIGHWAY PATROL**
Field Support Section

File No.: 060.14369.A04717.065.Salvage

Subject: SALVAGE VEHICLE INSPECTION PROGRAM REPORT, FOURTH
QUARTER 2008

Attached is the Salvage Vehicle Inspection Program Report for the fourth quarter, and year-end, 2008.

The report indicates that 27,271 inspections were conducted in 2008. This represents a 1.5 percent decrease in the total number of inspections conducted during 2008 when compared to the 27,699 total inspections conducted in 2007. It is noted that the report indicates a total of 132 stolen vehicles were recovered by salvage vehicle inspection officers in 2008, and this represents a 181 percent increase in recoveries when compared to 47 stolen vehicle recoveries in 2007.

Also of interest is that there were 103 stolen component parts recovered in 2008, and 644 component parts seized for violations of 10751 of the Vehicle Code (VC). Of these, more than 41 percent in each category (45 stolen component parts recovered and 265 component parts seized) were the result of inspections conducted in Valley Division.

Although the total number of inspections decreased overall between the third quarter of 2008 and the fourth quarter of 2008, the goals established for the fourth quarter were still exceeded by 8.65 percent. This resulted in 109 percent of the established goals for 2008 being met.

Should you desire further information regarding this matter, do not hesitate to contact me or Captain Mark Brunet, Field Support Section, at (916) 445-0752.

D. A. VERTAR, Chief
